

E- Commerce Business after COVID Pandemic

Prof. Sneha Kanojiya and Siddhi Vinayak Jaiswal

Asst. Professor and Research Scholar

St. Rock's College of Commerce and Science, Borivali (W), Mumbai, India

Abstract: *The Coronavirus pandemic sped up the web-based business blast as actual stores shut. Online business deals soar, compelling organizations to rapidly adjust. This advanced shift featured the significance of online presence and changed customer conduct. Post-Coronavirus, online organizations keep on flourishing, reshaping the monetary scene.*
