Abstract: *Media often has proved to be the most powerful tool of communication. It has the power to influence the lives of people in all walks of life. Techno savvy people using social media such as Whatsapp, Facebook and Twitter to post their photos, videos, profile and status. Posting of such data on social media provides enough information, inter alia, techno savvy criminals stalkers to play havoc impeaching upon the right to privacy of commoners. Cyber stalking is a serious and unique crime as it transpires online without per se a physical act. Moreover, the inability to identify cyber stalkers encourages the perpetrators to pursue the victims of any place. This paper therefore endeavors to assess what role media can play in combating cyber stalking.*
