Abstract: *New Education Policy improves the present scenario of the sports department in all sector as well . The new NEP has a number of crucial components that are essential for a child's overall growth. The NEP accepts sports as being as vital to other subjects like English or Science by doing away with the strict division between academic and extracurricular activities, hence improving the Fun and Engagement that students so badly desire in a school . With the help of this children can grow in all fields as well.*
