**Abstract:** *Creative literature, with its ability to reflect societal values, inspire critical thinking, and shape cultural narratives, plays a pivotal role in the formation of Aatmanirbhar Bharat – a self-reliant India. Through its diverse genres, narratives, and characters, creative literature contributes to fostering self-sufficiency, innovation, and resilience among individuals and communities. This essay explores how creative literature serves as a catalyst for the realization of Aatmanirbhar Bharat*

**Keywords:** Creative literature, Transformation, Diverse genres of literature, Aatmanirbhar Bharat
