Abstract: *Education is considered as the backbone of a nation as it cultivates human potential, economic growth, improves health and wellbeing, reduces poverty and inequality and enhances a nation's resilience and adaptability to a rapidly changing world. Providing universal access to quality education helps a nation to progress on the global stage in terms of economic growth, social justice and equality, scientific advancement, national integration and cultural preservation. The NEP 2020 was approved by the Union Cabinet of India on 29 July, 2020*

Keywords: Education.
