Abstract: *This study presents the formulation and benefits of an herbal soap riched with extracts from mango, teak, almond, and neem leaves. These ingredients were selected for their well-functioning, antimicrobial, antioxidant, and skin-nourishing properties. Mango leaves are contributing to skin protection and healing. Teak leaves are known for their antibacterial and anti-inflammatory effects. Almond leaves are for moisturizing benefits, while neem leaves are for antiseptic and antifungal properties. The combination of these extracts creates a soap Skin health, promoting a clear, hydrated, skin*
