Abstract: *The modern teaching techniques are use of technology based study like LCD projector, Computers or Laptops with Wi-Fi Connection, Interactive Whiteboards. Due to Covid pandemic the entire teaching faculty had participated in online education system. In this study the researcher wants to highlight various contemporary teaching methods, which aren't only technology based but also user friendly. Hence there's need that all educational institution have to change their traditional setup to modern one.*

Keywords: Contemporary, Technology, Teaching methods
