

# Study of Innovative Teaching Strategies and its Impact on the Student Engagement

**Dr. Pravin H. Ghosekar**

Head, Department of Computer Science

J. M. Patel Arts, Commerce & Science College, Bhandara, Maharashtra, India

**Abstract:** *The innovative methods of teaching help us to reach out to the minds of the students and win the hearts of the audience while doing so. Before a decade, one would only see such innovative and effective teaching on the fiction movies; today technology has given teachers across the world a number of tools to enhance teaching methods. These innovative teaching-learning aids and strategies is improving the student engagement and level of learning. This paper focuses on the how these innovative teaching strategies are impacting on the student engagement.*

**Keywords:** Student Engagement, Teaching Strategies, Teaching Learning
