Abstract: *The purpose of this work is to prepare a face pack from natural ingredients. we know about natural ingredients. Herbal ingredients are very useful to our skin. Our skin is very sensitive that's why we prepared a cosmetic face pack from only natural ingredients for the removal of tan, remove dirt, and whitening skin. We prepared two samples, sample A and sample B and performed or checked their organoleptic characteristics, physical characteristics such as odour, irritancy, colour, with their side effects. because natural ingredients, sample have minimum side effects.*

Keywords: Formulation, Evaluation, Herbal, Cosmetics, Ingredients
